About University:

AISECT University Hazaribagh, stands as a beacon of transformative education, having been established under the "AISECT University Act, 2016," passed by the Jharkhand State Legislature and recognized by the UGC Delhi under section 2(f) of the UGC Act, 1956. Sponsored by AISECT, a leading national network of ICT-enabled services, The university is committed to excellence in teaching, learning, and research. The University is a multi-faculty and multidisciplinary institution offering Diploma, UG, PG and Ph.D. programmes in Engineering, Pharmacy, CS & IT, Commerce, Management, Agriculture, Science, Arts and Humanities, Performing & Fine Arts streams. The University was set up with the mission to promote the human wellbeing by imparting quality education in this tribal area of Jharkhand. To achieve this mission, we are committed to providing world-class infrastructure facilities, qualified and experienced faculties, research laboratories, outcome-based learning and a conducive and rich learning environment. The university is spread over 36 acres of lush green land and is offering a wide variety of educational programs to meet the requirements of the industry and researchers. We are committed to providing world-class education by maintaining the highest standards in our curricular, co-curricular and extra-curricular activities. The passing out graduates of the University will be equipped with the desired knowledge, skills and competence to confidently meet the challenges of the corporate world and the contemporary society.
