Life at

AISECT University, Jharkhand

Institution Magazine and Newsletter

To provide a common platform to all the students where they can express themselves, the university has started an active editorial board which comprises of students and staff members.

Proctor Committee

To maintain decorum at the university, a special committee has been formed which makes sure that nobody violates the general rules and regulations of the university. In case a student is found guilty, the committee holds the authority to take actions against him, which may include suspension or expulsion from the university.

Anti Sexual Harassment Cell

An Anti Sexual Harassment Cell has been formed at the university as per the guidelines of the UGC and the Supreme Court. The purpose of this cell is to make sure that no student or staff member falls victim to any discrimination or harassment. The cell also acts as a mediator to resolve all the cases that fall under the category.

Anti Ragging Committee

Ragging is strictly prohibited at AISECT University. An Anti Ragging Committee has been formulated to look into the matters that fall under the category of ragging. Any act of ragging is dealt with on priority basis and stringent actions are taken against those involved in the act.

Infrastructure Facilities

At AISECT University, we ensure that a student makes the most of the crucial years of his/her life and gets proper guidance which would prove beneficial in the longer run. Our world-class infrastructure and modern teaching techniques at both graduate and post-graduate level plays a vital role in the overall grooming of the student. Housing more than 10,000 books, 2500 titles and thousands of CDs, journals and reports that cover wide range of subjects, the library at AISECT University is nothing less than a knowledge paradise for students. With access to a range of databases with traditional printed materials, the library proves to be an impeccable knowledge resource for academics and research purposes.

Counselling for students

As soon as the college life nears its conclusion, it becomes important for a student to choose his/her field to make their career. At this stage, a career counsellor proves to be a great help, as he/she guides the student to choose and explore those career options in which his/her true interest lies. The students are guided and informed about the latest trends in the market, helping them analyze the viability of a career option.

Improving students' skills

All the courses at AISECT University are designed to make the students ready to be absorbed in the market. Apart from the mandatory technical skills, it is also made sure that they acquire other qualities as well, that play an important role in climbing the career ladder with special focus on improving their soft skills.

Training and Placement Cell

Over the 33 years of its existence, AISECT has earned the reputation of being a reliable trainer and supplier of best skilled professionals to the industry. The reputation has helped AISECT University to develop a close association with most of the top management and IT companies, giving the students an option to choose from a plethora of companies for their summer training and on-campus placement.

Placement Support

Here are some of the companies which have been recruiting at AISECT Group of Institutions:

The Student Activity Council

- The university understands the importance of a strong student body, as it plays a major role in better understanding of the needs of students. The university has made provisions for a student council, which has the following roles to play:
- Promoting discipline and incorporating a freedom of thought among the students
- Encouraging discussion on issues of national and international importance
- Bringing in an environment to promote democratic decision making
- Helping students to develop their personal, communicational and managerial skill

The Tutor Guardian Scheme

This special scheme has been made functional to make sure that each student at the university gets all round development and no one is left behind. Under this scheme, a group of 10 students will be allocated to each member of teaching staff who will act as their Tutor Guardian. They will help the students with their daily schedule and will be in continuous contact with the parents of the students.
